

M.Sc Mathematics

What is M.Sc Mathematics?

M.Sc Mathematics is a postgraduate program focusing on advanced mathematical concepts and applications.

Course Highlights

- 1 Advanced Mathematics
- 2 Research Oriented
- 3 Academic Excellence
- 4 Analytical Skills

What You Will Learn

- 1 Algebra
- 2 Calculus
- 3 Statistics
- 4 Applied Mathematics
- 5 Research Work

Who Can Join?

- 1 Graduates in Mathematics
- 2 Teaching Aspirants
- 3 Research Oriented Students

Course Duration

2 Years
Semester System

As per University Norms

Certification

Degree awarded as per university / institute norms.

Career Benefits

- 1 Lecturer
- 2 Research Analyst
- 3 Higher Studies / PhD
